

HOG HAMMER™

OPERATION: HAMMER DOWN.

REMINGTON® HOG HAMMER AMMUNITION. Bring the big guns in the war on feral swine. Hammer 'em with the all-copper Barnes TSX® bullet that expands to 2X diameter and plows on through with near 100% weight retention. Loaded with a precision-blended low-flash propellant for faster follow-ups at night, plus a host of super-premium components. Only from Remington. Designed, tested and proven with pride at The Rock.
