

# Test shooting ASR 90 accessories

## **Interested in the new product lines for the Stgw 90 as of 1.1.2025?**

The test days at the Brünig Indoor Competence Center on 15 & 16 November 2024 are fully booked. Further dates for test days will follow. Group registrations of 20-40 people are still possible.

## **What is on offer?**

We will show you how to mount the sights and prepare your own or club ASR 90 for a non-binding test shoot to experience the sights directly in live fire.

## **What is needed on the test days at Brünig Indoor?**

Participation is free of charge. Ammunition must be provided by the shooter or can be purchased on site. The new sights will be mounted on your own ASR 90 before the test begins.

## **What is required for a group registration in your own shooting range?**

An interest group of at least 20 to max. 40 people (from one or more clubs). A 300m shooting range and approx. 5 ASR 90.

## **What is your advantage?**

We advise interested parties on the details of the new visor variants. We also explain whether and which existing visor parts can continue to be used. If you are interested in buying, we will provide you with a list of items that you can order from your personal gunsmith or from us tailored to your needs.

**(only in Switzerland)**
